

## *A Floral Remembrance.....*

Would you like to place flowers on a loved one or ancestor's grave but you can't get to Nunda to do it? The *Friends of Nunda Cemeteries* will place a floral remembrance for you in any cemetery in the towns of Nunda and Portage.

Here is how it works:

- 1) Choose the style of flowers you would like placed on the grave.
- 2) Fill in each part of the order form found on the back of this sheet.
- 3) Send in the order form and your payment at least two weeks before you want the remembrance placed.
- 4) We will place the flowers and then send you (if you request it) digital photograph of the flowers on the grave within 1 to 2 weeks.

All proceeds from this service go to the *Friends of Nunda Cemeteries* to help in the restoration and preservation of the Nunda cemeteries. We also gladly accept any additional donations!
